Don,

Attached is a revised NDR Project One PPT (minor changes) and the NDR Financial summary (June 08)...the password is "gorenew"...(Go Renew)...No cap's or spaces.

As I mentioned, I believe we close with -- Chesapeake Energy; Devon; Trinity Industries; South Texas Elect Coop (STEC.org) & now - Union Fenosa from Spain....Not Bad, eh?

Now - I need to use my "sales skills" to close the deal.

Please provide to Bill Finke -- He thinks the stock market is a better bet...WRONG !!

Understand, once I sign the first Letter of Intent (LOI) - the door for NEW promissory note holders is closed.

Thank You,

Dave Spalding
