Dear Don and Ann Delaney:

Enclosed is some information on a business transaction that will re-pay all the noteholders for \$3.4m concerning my trial conviction in April, 2015.

Please write a detailed, case supported, "Amicus Curie-Friend of the Court" brief supporting a 3-4 month "Hold" on sentencing to allow the business transaction to close, fund and re-pay the noteholders. Time has been my enemy since inception of this business strategy in June, 2015.

Please review my case – US vs David L. Spalding- Case #3:13-CR-422m Northern District of Texas- Judge Barbara Lynn.

I am desperate for your support. The Judge reads all "Friend of the Court" briefs. Please present a very convincing argument.

Additionally, please file online via Pacer; send the Court a signed copy and send me a copy here in jail.

My appellate attorney is Clint Broden, he's located in Dallas. His phone number is 214-720-9552.

My MXTREP Business partner is Boone Nerren – AMZ Equity Partners, Dallas 214-466-8270 or Cell 214-794-8777. Boone Nerren can verify or provide you copies of all contracts or information requested.

I sincerely request that you help me concerning this brief. Believe me, God will reward you many times over for your time and assistance.

Sincerely Your Friend,

David L. Spalding
