RE: David Lyman Spalding- 3:13-CR-00422

Dear Judge Lynn:

I am writing to you now because I have been approached by Boone Nerren who would like to pay us Note Holders back, including principal and interest, to give some credit to David Spalding for providing him with an idea to sell renewable energy in Mexico. He will pay us, with nothing going to Mr. Spalding, as a means of providing restitution to Note Holders of Wind Plus. If Mr. Nerren is successful in providing these funds in the next four months, I am requesting that Mr. Spalding receives a reduced sentence for helping to put together a plan to pay us back. If we could get our money back even at this late stage it would erase a good part of the pain, frustration and stress Mr. Spalding has caused so many of us.

Best regards,

Don Delaney
