Nov. 30, 2006

Wind Plus, Inc. is pleased to announce that yesterday, Nov. 29, 2006 - late evening -- Padoma Wind - NRG Energy has elected to "go firm" on their contract to purchase the Morgan Ranch Wind Park for \$5.6M plus another \$2M for the C02 credits. They plan to close on or before Dec. 24, 06. What a Christmas present!!

Also, for some more great news -- Padoma Wind - NRG Energy has agreed to purchase another 400MW of adjoining Wind Plus wind leases in Glasscock County, TX for \$24M. Yes, I said Twenty Four Million US Dollars. I expect this contract to be signed in late December with closing in late Feb 2007.

We have executed or near execution -- another 1500 + MW of wind leases. Just adding to the portfolio. Not Bad, eh ???

Call me when you can.....817.354.3988
